

## St Mary's C of E Primary School Acceptable Use Policy KS1- Autumn 2018

---

These rules help me to stay safe on the internet:

I will take care of the school computers and equipment.

I will only use activities that a teacher or suitable adult has told or allowed me to use.

I will only use the internet when I have been given permission by an adult.

I will tell an adult if I see something on the internet that upsets me.

I will not tell other people personal things about me.

I will not click on links I do not know.

I will ask for help from a teacher or suitable adult if I am not sure what to do or if I think I have done something wrong.

I will always be polite and friendly when I write messages on the internet.

I understand that the school can see what I am doing online.

I will not use a teacher's computer or laptop.

I know that if I break the rules I might not be allowed to use a computer or iPad.

As the parent/carer of this child, I allow the use of technology in school. I agree to support my child in using Computing appropriately, understanding Online Safety and abiding by the rules above.
