

St Mary's C of E Primary School

'Learning for Life'

May 2019

Dear Parents / Carers

Stationery Contribution – Summer Term 2019

Thank you for your contributions towards the stationery last term. The improvement in the children's presentation in their books was noted by Ofsted. The feedback from the children has also been extremely positive.

We would appreciate your continued support and ask for a further contribution of £2.00 in order that the children can maintain the high standards of presentation they have already achieved.

We thank you for your co-operation.

Yours faithfully

Mrs J Chambers
