

## Week of 04/5:

### Geography:

For geography, we will be learning about maps and keys. Watch the videos below to remind you how to use a map and what keys on maps are:

**Compulsory Task:** Once you have watched the videos, you must then log onto Purple Mash and complete your 2dos. See if you can label the points of the compass and then have a go at the pairs game. Match the symbol to the description.

### **Optional Task:**

Work on your compass skills by having a go at these direction challenge cards from Twinkl:

## DT – Food:

For DT, we are looking at cooking skills and food. Eating a wide variety of food is important. Watch the video below on having a balanced diet.

<https://www.bbc.co.uk/bitesize/topics/zrffr82/articles/zppv4j>

**Compulsory Task:** Once you've watched the clip, log onto Purple Mash and complete your 2do – 'DT – Recipe'. Remember to number the steps in your method and use the word bank to help you add in fronted adverbials for each step. Could you add in helpful hints? Click on the green tick to check the checklist.

### **Optional Task:**

If you have the ingredients, why not try and make the recipe. If you can, upload a picture of your cooking on Purple Mash and tell me what you thought of it!
