### English – Must do

Our skill this week is: Relative clauses

Please see attached 'Year 5 Writing Task Week 2 -04.05.20' for more information, video tutorials and detailed tasks. I have added your favourite relative clause song as a link, we will be singing along at home with you!

### Compulsory Writing Tasks:

- **Purple Mash Task 1: Relative clauses.** These clauses give more information about somebody or something in a sentence. They begin with a relative pronoun: which, whose, who, that. Today you will be playing the 'Drop-In' game. You are to drop relative clauses into the sentences attached using who and which. E.g. Mrs Allbright was marking books. - → Mrs Allbright, **who was tired and cross**, was marking books. The desks were covered in board games. - → The desks, **which were bright blue**, were covered in board games. Write your sentences and answers on the 2do set on Purple Mash – it will be titled 'task one'.
- **Purple Mash Task 2: Character description.** Using the words in your word bank (or any you would like to magpie from the text) and the relative clauses you have been looking at, create a character description for the spider. If you like, you can draw it first and label with description. You can either draw it in your home learning exercise book or on Purple Mash – your choice! If you are struggling, use the prompt attached to help - it is missing the descriptive adjectives. Remember, your skill this week is relative clauses so make sure you are including them! Write your description on the 2do set on Purple Mash – it will be titled 'task two'.

Save and 'hand in' both tasks on Purple Mash by Friday 8th May. Detailed instructions on how to open, edit and save work on Purple Mash is attached. Please see the 'How to complete a 2do' handout.

### Wellbeing –Optional

The big question is: What is wellbeing? How can I look after my own wellbeing?

On the school website where your year group pages are, underneath year six, you will see a link to wellbeing, click on here and then click on your year group and start **being active** this week.

Can you complete the pillow workout? You do have to get out of bed first! Or make up a fitness routine for your family or a dance for everyone to enjoy. Just remember to keep active and enjoy yourself.
