

**Monday 11<sup>th</sup> May**

*Hi everybody, did you have a lovely weekend? We hope so!*

*Thank you for another brilliant response to your home learning tasks and activities last week. We have been so impressed with your maturity in how well are coping with the amount being asked of you at home. Keep it up, we are so proud!*

*Miss Robertson and Mr Gubb*

### English – Must do

Our skill this week is: To use relative clauses and headings/subheadings.

Please see attached “Week 3 Compulsory Writing Task” for more information, video tutorials and detailed tasks.

Compulsory Writing Tasks:

- Purple Mash Task 1: Relative Clauses

Drop-in extra information for the reader starting with ‘who’. Then create your own sentences using ‘drop-in’ relative clauses.

- Purple Mash Task 2: Plan your Information Text

Your task is to create your own plan using the planning template on Purple Mash. Jot down some ideas for each section. Remember to have a clear heading then subheadings for each section. You can use the ideas from the word and sentence games. Remember you are the new expert!

Save and submit as ‘I have finished on Purple Mash by Friday 15<sup>th</sup> May.

### Foundation Subjects – Must do

This week the subjects are 1) History 2) Art 3) PE

- 1) History

In History this week we are looking at how different types of transport has impacted Surrey over time.

Task: On Purple Mash create a fact file about Brooklands museum.

Use this website to help you: <https://www.brooklandsmuseum.com/explore/our-history>

Here are some ideas of subheadings you could use:

- Where/ what is Brooklands Museum?
- Flying at Brooklands
- Cycling at Brooklands
- Motor Racing at Brooklands
- Motorcycling at Brooklands
- How has transport impacted Surrey?

## 2) Art

The artist we are studying this week is Georgia O'Keefe. Watch this video to find out more about her and her art work. <https://www.youtube.com/watch?v=vyRzUii-pSc>

Task: On Purple Mash, can you draw a flower freshly bloomed for the summer season?

## 3) PE

Task: For PE this week have a go at one of the activities below. Then on Purple Mash tell me what activities you have been doing to keep fit and healthy this week.

<https://www.youtube.com/user/thebodycoach1> (PE with Joe – Youtube – Body Coach TV)

<https://www.youtube.com/user/CosmicKidsYoga> (Yoga & Mindfulness)

<https://www.youtube.com/user/GoNoodleGames> (Games/Dances)

<https://www.youtube.com/user/justdancegame> (Dance)

<https://www.nuffieldhealth.com/kidswellbeing> (15 minute workout for kids)

Or you could try...

**Orienteering:** Draw a map of your garden and set out an orienteering course or a 'treasure hunt' – each station could have a letter that spells out a word or a number as part of a Maths problem for someone in your family to solve.

**Circuits:** Create a circuit for the family to complete – be creative if you don't have much equipment at home (tins of food make great weights!)

**Gymnastics:** Practise your rolls, headstands, handstands etc. There are lots of tutorials on YouTube you could use to help.

**60 second challenge:** How many 'keep-ups' can you do in a minute? How many bounces of a tennis ball? How many skips with a skipping rope? You could do the same challenge each day for a week and record your daily score to see how you've improved!

### **Maths Investigations- Optional**

Optional maths investigations links or documents / powerpoint to download

Message from Mrs. Barnes about this week's optional investigation and clear instruction on how to submit on Purple Mash if they would like to submit it.

### **Wellbeing –Optional**

The big question is: What is wellbeing? How can I look after my own wellbeing? On the school website, where the home learning year group pages are, underneath year six, you will see a link to wellbeing, click on here to find some top tips to look after your wellbeing.

### **Life Skill for the week –Optional**

Please see the PowerPoint presentation on the class page

### **Other useful websites to help with your home learning**

With schools closed, now is the perfect time for your child to learn something new. Follow this website link for educational live streams, covering everything from phonics to fitness.

### *Other useful sites...*

<https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/> - this website is full of free eBooks! Make sure you use the filter to find books suitable for your age.

<http://www.pobble365.com/> - this website has lots of imaginative inference and writing activities all around a different picture of each day.

<https://www.twinkl.co.uk/> - this website is a go-to for most teachers on a weekly basis, so it will definitely help you immensely at home.

<https://wonderopolis.org/> - this is a wonderful website to inspire curiosity with an interesting question of the day. Great for developing reading skills!

<https://www.tynker.com/> - great for any minecraft lovers, this website allows you to practise your computing coding skills.

There are also many free children's audiobooks on the website and app Audible which we highly recommend.
