Children are invited to meet their new class teacher when they come on site for their transition session in July. Teachers will be messaging classes directly about the date and timings for their session via Marvellous Me. When the children come to school that day, they will also be given their end of year report to take home.

At pick up time, it will also be chance for you to see your child's new class teacher, from a distance! We will be holding introductory and expectation meetings with the new class teachers as soon as we are able to, at the start of next term so you can meet everyone properly.

We are looking forward to seeing all of the children, in July when they visit. If you are unable to join your class for their session, please do let the class teacher know.

Yours Sincerely

Headteacher
