Dear Parents/Carers

Year 3's Harvest Festival Video

In Year 3, the children would normally take part and lead the Harvest Festival in the church. However, due to the current circumstances, we will be unable to carry out the service in the church as normal this year. Therefore, we will be pre-recording our Harvest Service. The Harvest Service will be uploaded onto a private YouTube account. Only parents/carers who are sent the link will be able to access the video. This link will be sent to all parents in the school.

Please complete the return slip below as soon as possible.

If you have any questions please do not hesitate to ask us.

Many thanks

Mrs Murray

Miss Robertson
