Dear Parents / Carers

Summer Term 2021 – Price Increase for Nursery Provision at St Mary's School

We wish to inform you that with effect from Monday 19 April 2021 there will be a small increase to the nursery charges. We have successfully managed to keep our charges lower than many other local nursery providers whilst implementing the small increase needed to offset the inflationary and staff salary rises in the new financial year.

Therefore with effect from Monday 19 April 2021 should you require any additional nursery sessions, on top of the free Government funded 15 or 30 hour entitlement, the charges will be as follows:

Top-Up Nursery Sessions	£20.50 per session
Early Drop Off Fee (8.45am – 9.15am)	£3.00 per session

We do hope you agree that St Mary's Nursery still offers an excellent early years provision whilst maintaining value for money. If you would like to know more about the top-up or early drop off sessions available, please do contact the school office.

Yours faithfully

Jacquie Chambers
