'Learning for Life'

Thursday 6th January 2022

Dear Parents/ Carers,

We are very excited to be working towards the WAS Wellbeing Award for Schools.

The WAS Award recognises the importance of mental health and wellbeing for all members of the school community. At St Mary's, we want to ensure that the mental health and wellbeing of our children and wider community is prioritised and supported effectively.

For more information about the WAS Wellbeing Award, please follow this link:

In order to evaluate our current provision, we need your input! Your views are important in helping us understand what we are doing well and how we can do even better. The link to the parental survey can be found here: <https://app.awardplace.co.uk/stakeholder-evaluations/user-survey/61d5b46315e0d>

All responses are anonymous and will be used to help us analyse and build upon our current provision. The survey will close on **Monday 17th January**.

We will also be completing a child-friendly survey with the children. If you would not like your child to participate in this, please email the office to let us know by **Wednesday 12th January**.

Thank-you for your ongoing support.

Deputy Headteacher
