

DIY Egyptian Costume Ideas

- An oversized/long white t-shirt with a belt or scarf with a home-made headband.
- A plain white or black dress, with a belt around the middle and a scarf over the shoulder - held in place by a pin or broach.
- An old white bed sheet, fold in half and cut to length. Cut a hole for the head and add a belt (see link below). Use card or the edge of a paper plate to create a headband or necklace accessory.
