

Early Help means that our children and their families receive the right help as soon as a problem emerges.

Every child and family is different, so any support from us would be bespoke and tailored to their individual needs.

Our Early Help Offer

Wellbeing and Mental Health

We are a WAS Award accredited school which means that we offer a wide range of support for the mental health and wellbeing of our children and families. For a full overview of what we offer, please visit our [website](#).

Some examples of this support include:

ELSA
Play Therapy
Counselling
Nurture Group
Referrals to [The Eikon Charity](#)

Home Circumstances

Support for families experiencing bereavement.
Support for families going through separation.
Daily PSHE sessions.
Referral to CSPA where safeguarding concerns are identified
Team around the family meetings
Behaviour support
Behaviour support linked to SEND needs, signposting to [L-SPA](#)

Parenting Support

General support and signposting from our Home School Link Worker.
Bespoke support from the [Home School Link Worker](#)
Home School Link Worker [weekly bulletins](#) and [quick guides](#). These cover a range of topics such as separation anxiety, bedtimes and building resilience.
The weekly bulletins also signpost families to local events.

Financial
