Family Communication Officers  
Drop-in sessions

**Woking Family Centre are pleased to be working with the Learners Single Point of Access (L-SPA) Family Communication Officers.**

The Family Communication Officers (FCO's) have a range of knowledge and experience of additional needs and advocate the importance of early intervention for young people and their families to provide the 'right support at the right time'.

The FCO's can support families with:

- Understanding the graduated response to SEND (Special Educational Needs and Disabilities).
- What Ordinarily Available provision is and what this looks like in educational settings.
- Understanding a 'No to Assess' Educational Health Care Needs Assessment decision.
- Signposting to appropriate services for support, advice, and intervention.
- How to collaborate effectively with educational settings.
