Our Vision Statement **'Learning for Life'**

Year 6 Environmental Leaders

Our lovely leaders have been making sure classrooms and areas around the school are being looked after and kept tidy. They have been doing gardening, tidying, fixing, litter picking and library sorting in their own free time – jobs they felt needed doing around the school. They also decided we needed bird feeders in our school grounds so today they built and set them up. We now have 4 around the school grounds. Next week they will be constructing a hedgehog house!

Special Visitor

Thanks to one of our parents in Year 6, the children had a special visitor today to advise and support with their rehearsal of their performance 'High School Musical' today! Martin Hancock, best known for his role as a character called 'Spider' in Coronation Street! Thank you so much to Patricks mum for organising this amazing opportunity for the children.

Parent Survey

Please take the time to complete the parent survey that was circulated this week. If you have any further comments you want to share please pop an email to the office for my attention. Thank you!

Have a great sunny weekend!

From Mrs Chambers

Our Eco Competition Winners!

Congratulations to our Eco Competition winners. They designed great posters with important information on about protecting our Heathlands and the winning posters, shown below, were selected by our Eco Warriors. As winners, their posters will be displayed to the public at Ockham Common and they have also been offered the opportunity to go on a guided tour of the Heathland with their families over the Summer Holidays.

Well done to all the pupils who entered – there were lots of fab entries!

Best wishes,

Mrs Robinson and the Eco Warriors
