

St. Mary's CofE Primary

'Learning for Life'

29th September 2025

Dear Parent/ Carer,

St Mary's Song Video

In July, the last year group to appear in our St Mary's song video left the school. It is now time to film a new music video for our St Mary's song! As the same as last time, we would really like every child to be in it, as it is their school song and they love to watch it in assembly and spot themselves! It is a special memory to look back on, years after they have left St Mary's as well.

The video will be recorded by one of our lovely school dads, who has volunteered his services for free, on Thursday 2nd October. We will be filming children in classrooms, while they learn and when they are at play. There will be points in the filming that groups and classes of children will be performing to the camera - Matilda musical style and also flash mob style! We are all very excited as are the children!

The video will continue to be accessible on our school website and other social media platforms as it is now. To safeguard the children, no names will be included in the film.

Please sign and return the slip below to give your child permission to be in the school song video. Please ensure forms are handed into **class teachers by Wednesday 1st October 9am.**

Yours sincerely,
Mrs Chambers

.....

Permission to be in the new St Mary's School song video.

Please return to your **class teacher** by **Wednesday 1st October 9am**

Child's nameClass.....

I give permission for my child to be in the new St Marys song video Yes / No

I do not give permission for my child to be in the new St Marys song video Yes / No
