**Week ending**  
5<sup>th</sup> December 2025

Dear St Mary's Families

Christmas has arrived at St Mary's! We kicked off the week with some festive tunes on the playground and our special Christmas Tree assembly on Monday. Every child has made their own ornament on the tree and they have done a fantastic job. We also had lots of incredibly talented musicians and singers who played and sang solos or duets as we decorated the tree together. Thank you for all your hard work practising!

The Christmas door competition has also been of great importance this week and the Junior Leaders have been busy voting for their favourite. Winners to be announced next week!

Have a great weekend.

Mrs Chambers

## HSLW

In this week's [HSLW weekly bulletin](#), you will find information on the following:

- Family Advice Communication Education (FACE) – December timetable
- Young Minds – parent helpline
- Surrey County Council – Family Finance

There is also a fun family activity to try at home and a recipe idea.

Dear Parents/Carers,

The Mental Health Support Team (MHST) are pleased to be an active part of the St Mary's school community. MHSTs were created through the Government's 2017 'Transforming Children and Young People's Mental Health Green Paper', which aims to improve access to early mental health support by placing dedicated teams, such as us, directly in schools. We work collaboratively to think about the wellbeing of the school community.

We are now carrying out a Whole School Wellbeing Audit to help us understand what support parents/carers such as yourselves are aware of, and to hear your thoughts on what may be helpful going forward. This will help us shape how we continue working with the school to support students, staff, and families, and complement the foundations of support already in place.

We would be grateful if you could share your views via the link below. The questionnaire is anonymous and closes on **Friday 12th December at 5pm**. Any identifiable information you choose to provide will be removed before anything is shared with the school. We will review all responses and aim to share an overview with you on what we have found in the Spring or Summer Term.

Thank you in advance for your time.

## St Mary's CofE Primary School Parents/Carers The Mental Health Support Team (MHST) want to hear from YOU!

Melanie

We work with young people to support with anxiety, worries or low mood by working towards goals that they choose.

Ashlea

We support the whole school approach to positive mental health and wellbeing, for staff, students and parents/carers.

Millie

We work with school staff by providing training workshops, advice and support. We provide guidance about specific students who may be struggling with their mental health.

### What are we doing?

The MHST are looking to explore the wellbeing support available across your school community. We would appreciate hearing your thoughts, so we can work collaboratively alongside the school to continue strengthening and enriching mental health support for students, staff, and parents/carers.
