## **Six Principles of Nurture**

We introduced the Six Principles of Nurture this time last year, and they are now an embedded part of who we are at St Mary's. The principles are: language, safety, behaviour, wellbeing, transition and language. We use them to guide our planning, policies and they are a day to day part of life for our children. They are displayed in all classrooms and are regularly explored during Collective Worship.

For more information on the Six Principles, please visit our [school website](#).
